

NHS BAND FUNDRAISER - CRUISE DRAWING DETAILS

- **Purchasing tickets?** You may purchase tickets between Monday, May 15 – Sunday, August 27, 2023. Tickets are \$5 for 1 or \$20 for 5.
- **What are we drawing:** A 7-night Eastern or Western Caribbean cruise for 2 aboard Holland America from Florida. The cabin category won is the minimum inside stateroom category N. If the winner is interested in a category upgrade or wish to take children, GMT will be happy to quote rates once dates have been chosen.
- **What does the cruise NOT include?** Taxes and fees, which are approximately \$425-\$475 per person for the 2023 season. You are also responsible for your own airfare and transportation to and from the airport and cruise ship. There are some blackout dates that apply (generally around holidays and other high demand weeks).
- **When is the drawing?** Friday September 1, 2023, during the NHS HOME football game (6:30-9pm). Winner need not be present to win.
- **How it works when you win:** Please choose three departure dates that best work into your schedule (a first, second, and third choice) and allow us to check availability based on those choices. Booking in advance gives you the best chance at availability for the dates and cabin category that you desire. You have one year from the date of winning to take the cruise. Your cruise is non-transferable and once GMT has booked your cruise date and placed a deposit, there is a \$50.00 per person fee to change your booking.
